Customer Reviews

The new edition of Ten Cate's Oral Histology is a great improvement from the previous one, including many new full color images. Is an essential text book for professionals, students and a must have for any professor of oral histology.

I did not received the book. [Ten Cate's Oral Histology: Development, Structure, and Function, 8e](#)

Very easy to read with great pictures. A basic book for background that should be on everyone's

shelf.

Excellent book used in pre graduate studies at dental school University of Pretoria, South Africa

excellent for dentists, students, dental researchers

This book helps me so much.

A little hard to follow.

A excellent textbook
