To Comfort Always: A Nurse's Guide To End-Of-Life Care (Second Edition)

Synopsis

To Comfort Always is an award-winning basic primer for nurses on how to care for patients at the end-of-life. This book is a guide to understanding the needs of both patients and families and the important role nursing plays in addressing those needs providing the reader with a framework that defines the nursing role in terms of the skilled clinician, the advocate and the guide. This updated edition provides readers with new content specifically on chronic illness and dementia.

Customer Reviews

Wonderful text on hospice & palliative care caring.

This book is good for any area of Nursing but was really helpful in Hospice.
