At the same time, the authors'™ basic instructional approach remains focused on the key ingredients of effective speech, including sensitive audience analysis, adequate research, clear organization, and dynamic delivery. • Also available • with MyCommunicationLab MyCommunicationLab for the Public Speaking course extends learning online, engaging students and improving results. Media resources with assignments bring concepts to life, and offer students opportunities to practice applying what they've learned. And MediaShare offers an easy, mobile way for students and instructors to interact and engage with speeches, visual aids, group projects, and other files. Please note: this version of MyCommunicationLab does not include an eText. • Mastering Public Speaking, Ninth Edition is also available via REVEL •, an immersive learning experience designed for the way today's students read, think, and learn. •

Customer Reviews

The book is fine and relatively easy to find the info needed to complete the quizzes developed with the material in the text. However 75+ dollars is a little ridiculous for a book that you also have to buy a binder to put it in. If you have the option, rent this book for half the cost.

I bought this new. We can't find the access code. Help!

Exactly what I expected. Great price

Got me an A in the class.
