Product Dimensions: 9.1 x 6.4 x 0.6 inches

Shipping Weight: 14.4 ounces

Average Customer Review: 4.0 out of 5 stars [See all reviews](#) (1 customer review)

Best Sellers Rank: #723,037 in Books (See Top 100 in Books) #94 in [Books > Textbooks > Medicine & Health Sciences > Medicine > Clinical > Otorhinolaryngology](#) #126 in [Books > Medical Books > Medicine > Surgery > Otolaryngology](#) #343 in [Books > Textbooks > Medicine & Health Sciences > Medicine > Clinical > Oncology](#)

Customer Reviews

While I don't primarily work with this population, this has been an invaluable resource for those patients I have treated who have been diagnosed with head or neck cancer. However, as with all things medical, best practices and clinical knowledge change and while this has a nice foundation of knowledge, any clinician regularly working with this population would be better served by updated articles.
