# Yosemite: The Complete Guide (Yosemite The Complete Guide To Yosemite National Park)

## Synopsis

This gorgeous, full-color guidebook reveals the highlights and hidden gems of Yosemite National Park. Yosemite is filled with incredible scenery and amazing outdoor adventures. But without careful planning, a trip there can be overwhelming. Yosemite: The Complete Guide breaks it down and gives you everything you need to make the most of your time in the park. Whatever your interests—hiking past waterfalls on the Mist Trail, strolling through a grove of giant sequoias, watching sunset from Glacier Point, relaxing at a historic lodge—Yosemite: The Complete Guide puts the best of Yosemite at your fingertips. Beautiful color photos showcase the park's best destinations. Fascinating chapters on Geology, History and Wildlife reveal the story behind the scenery. Detailed maps make travel planning easy. From the stunning waterfalls in Yosemite Valley to incredible hikes in the High Sierra, Yosemite: The Complete Guide is the only guide you'll need!

- Over 100 Color Photos
- Over 20 Detailed Maps
- Filled with Tips to save you Time and Money

## Customer Reviews

James Kaiser writes travel guides that get one excited to visit a national park. He provides great insight, good detailed descriptions of trails and landmarks, which allow you to make a solid decision on what you want to include in your own itinerary. My favorite part is when he provides a sample itinerary for what to do if you only have 1 day or 2 days to visit the Park, as he realizes that not all of us have the luxury of spending a week or more, and not all of us are campers. He provides beautiful

color pictures, robust maps, some history of the area, surrounding landmarks, and lodging & dining details, which all give you a good sense of where you're going and what to expect, as well as how to prepare for your adventure.

great history and and overview information on such items as wildlife or geology. I gave it 4 stars because I thought maps could have been better. I would buy again. The pictures are wonderful of the various areas...

The best of best. Very beautiful photos and very concise word make the book very useful and practical. Not like other guiding book filled with tons of words and ads, this book gives only useful information and pictures, which will help you find what you want to explore.

Great resource for Yosemite. It was really helpful when planning hikes for the trip because it shares the difficulty level and average time it takes someone to do the hike. We definitely used the info from this book. I even saw another couple carrying this book around Yosemite when we were there! it was pretty funny.

James Kaiser is a fantastic author. His travels guides provide unique insight that you cannot find in the mainstream books. I would not goto Yosemite without this book!

Great guide! Full of very useful information, and I love the pictures! Planning on visiting Yosemite NP in August, and I am reading this guide from cover to cover!

This book way exceeded my expectations. I highly recommend it.

Exactly what I expected Could be a bit more information
